YOUTHBUILD 2000 GRANT PROJECT SUMMARY

INDIANA

The Tree of Life Community Development Corporation and Care Center will receive a Youthbuild (YB) Implementation grant in the amount of \$400,000. This is the second time the organization has received YB funding.

The Tree of Life Community Development Corporation and Care Center will recruit applicants for the YB program from within the Enterprise Community. Their recruitment efforts are targeted to attract a group of young people ages 16-24, 75% of which are high school dropouts and are a member of very low-income families.

The program will provide a comprehensive and integrated effort to increase the academic, leadership, and vocational skill level of trainees. The 50 selected participants will also be learning on-site construction skills by working to rehabilitate a three story building for use as transitional housing for low-income homeless persons.

The total cost of the YouthBuild program is \$749,899. Cash and in-kind leveraging resources total \$349,899 in support of this program.
